

PRESIDENT: Senator Kremer is asking unanimous consent to unbracket 805 on Final E & R. Are there objections to unbracketing the bill? Any objections to unbracketing of the bill? Any objections? Hearing none, the bill is unbracketed.

CLERK: Read motion.

PRESIDENT: Chair recognizes Senator Kremer.

SENATOR KREMER: Mr. Chairman, members of the legislature, it is a rather minor amendment it amends actually the standing committee amendment. The standing committee amendment says that if a quarter of construction of highway is designated and then someone applies for a permit to build a structure in this that he cannot do so...or a permit shall not be issued within a sixty day period. The amendment says that instead of a 60 day period it allows the department of roads to negotiate with anyone that wishes to construct a structure, it allows them 60 days to negotiate. If at the end of that period no negotiation has been arrived at, then the issue or the permit shall be issued I move the adoption of the amendment.

PRESIDENT: Any further discussion of the bill? Question is do you want to return LB805 to Select File for the Specific amendment? This is the vote to return the bill, if you do vote aye, if not vote no. You are returning the bill only with this vote. Senator Kremer's request. Motion takes 25 votes. Thank you. Clerk will record.
